

February 2010

Student of the Month Candidates

1. This student observed an older student on the bus to school with illegal drugs. This student advised the Principal at school and willingly identified the older student. The Principal contacted the student's parents praising the courage and Indomitable Spirit of this student.
2. This 5 year old student volunteered 2 hours to help bag food packs for Haiti earthquake survivors.
3. This student at testing refused to give up on the breaking requirement and continued to make attempts 10+ until this student was successful.
4. This student went of the way to help a parent who had surgery making sure the parent always had everything they needed during recovery.
5. This student received 11 Jung-Shin slips from school teachers
